Slow White 15 Boston 13

Boston, MA

On a cold and windy night at Teddy Ebersol field, Slow White held on to take a wild 15-13 win over Boston in the Ultimate Showcase Mixed Division series. Mike Miller, captain of US Silver Medalist and World Bronze Medalist Slow White, led the way with several hucks (long throws) for goals, including a 50 yard hammer throw (picture a frisbee being thrown like a football) to Evan Patisteas for the game winner. Rosie Ano, Christina Allain, and Steve Sullivan provided big contributions on offense. Seth Mann and Mike Rozinsky contributed several blocks.

After falling behind 2-0 to the Slow White short passing game, Boston went on a 4-0 run, led by David "Salsa" Turell's 40 yard strike to Shmi Narayan. Emily Walton sprinted deep to snag several goals during the mini-run. However Boston faltered, misconnecting on short cross-gender throws as Slow White went on an astounding 11-2 run bringing the score to 13-6. From there, momentum shifted once again as Boston upped the defensive intensity and began to connect with their long game to their bigger, taller receivers. Micah Flynn, Keegan Uhl, and Hunt Allcott went over smaller defenders to bring down some long throws. Flynn tossed a 40 yard hammer to Jin Ding, Keegan hit Flynn twice, Kelvin Schleif hit Uhl and suddenly the score was close. Slow White had beautiful flow as almost all seven of their players touched the disc to bring the score to 14-11. Ryan Todd, Kelvin Schleif, and Nurit Bloom each came up with game saving blocks as Boston converted two more until Miller's heroic toss barely beat two defenders to end the game.

The non-fair-weather fans in attendance were inspired by the quality of play. The flow of movement on the field was fast-paced and smooth. They enjoyed the halftime raffle prizes and planned to bring more friends to games with better weather.

Keeping with Ultimate Frisbee's core concept of "Spirit of the Game," the behavior of the players was very professional and sportsmanlike, setting a positive example for the young fans.
